

## Recombinant Human ADPRH Protein

db51074

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human ADPRH Protein**Cat.No.:** db51074**Synonyms** : Protein ADP-ribosylarginine hydrolase, ARH1.**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-6His**Expression host** : E.coli**Species** : Human

|                          |                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 141                                                                                                        |
| <b>Swiss Prot</b>        | P54922                                                                                                     |
| <b>Synonyms</b>          | Protein ADP-ribosylarginine hydrolase, ARH1.                                                               |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                  |
| <b>Molecular Weight</b>  | 42.1kDa (381aa), (SDS-PAGE under reducing conditions)                                                      |
| <b>Species</b>           | Human                                                                                                      |
| <b>Purity</b>            | >90% as determined by SDS-PAGE.                                                                            |
| <b>Seq</b>               | 1-357aa                                                                                                    |
| <b>Tag</b>               | N-6His                                                                                                     |
| <b>Concentration</b>     | 0.5 mg/ml                                                                                                  |
| <b>Formulation</b>       | Freeze-dried powder                                                                                        |
| <b>Storage Stability</b> | Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles. |

15% SDS PAGE(reduced) analysis of Recombinant Human ADPRH Protein
