

## Recombinant Human SIX1 Protein

db53950

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human SIX1 Protein**Cat.No.:** db53950**Synonyms** : homeobox protein SIX1, BOS3, DFNA23, TIP39**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-6His**Expression host** : E.coli**Species** : Human

|                          |                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 6495                                                                                                     |
| <b>Swiss Prot</b>        | Q15475                                                                                                   |
| <b>Synonyms</b>          | homeobox protein SIX1, BOS3, DFNA23, TIP39                                                               |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| <b>Molecular Weight</b>  | 34.7 kDa(308aa)                                                                                          |
| <b>Species</b>           | Human                                                                                                    |
| <b>Purity</b>            | >85% as determined by SDS-PAGE.                                                                          |
| <b>Seq</b>               | 1-284aa                                                                                                  |
| <b>Tag</b>               | N-6His                                                                                                   |
| <b>Concentration</b>     | 1.0 mg/ml (determined by Bradford assay)                                                                 |
| <b>Formulation</b>       | Freeze-dried powder                                                                                      |
| <b>Storage Stability</b> | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |

15% SDS PAGE(reduced) analysis of Recombinant Human SIX1 Protein
