

Recombinant Human Ferritin light chain Protein

db54671

Package : 10µg 50µg 100µg 1mg

Product Name : Recombinant Human Ferritin light chain Protein**Cat.No.:** db54671**Synonyms** : Ferritin L subunit; Ferritin light chain; FTL**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-6His**Expression host** : E.coli**Species** : human**Gene ID** 2512**Swiss Prot** P02792**Synonyms** Ferritin L subunit; Ferritin light chain; FTL**Application** Positive Control, Immunogen, SDS-PAGE, WB**Molecular Weight** 24.5 kDa**Species** human**Purity** >95% as determined by SDS-PAGE.**Seq** Met 1-Asp175**Tag** N-6His**Formulation** Freeze-dried powder**Storage Stability** Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles.

15% SDS PAGE(reduced) analysis of Recombinant Human Ferritin light chain Protein
