

Recombinant Human Ferritin Heavy Chain/FTH Protein(N-6His)

db54699

Package : 10μg 50μg 100μg 1mg

Product Name : Recombinant Human Ferritin Heavy Chain/FTH Protein(N-6His)**Cat.No.:** db54699**Synonyms** : Ferritin heavy chain;FTH1;FTH;FTHL6;Ferritin H subunit;Cell proliferation-inducing gene 15 protein**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-6His**Expression host** : E.coli**Species** : human

Gene ID	2495
Swiss Prot	P02794
Synonyms	Ferritin heavy chain;FTH1;FTH;FTHL6;Ferritin H subunit;Cell proliferation-inducing gene 15 protein
Application	Positive Control, Immunogen, SDS-PAGE, WB
Molecular Weight	23.4 kDa
Species	human
Purity	>90% as determined by SDS-PAGE.
Seq	Met 1-Ser183
Tag	N-6His
Formulation	Freeze-dried powder
Storage Stability	Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles.

15% SDS PAGE(reduced) analysis of Recombinant Human Ferritin Heavy Chain/FTH Protein(N-6His)
