

## Recombinant Human Brain-Specific Angiogenesis Inhibitor 3/BAI3 Protein(C-6His)

db54893

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human Brain-Specific Angiogenesis Inhibitor 3/BAI3 Protein(C-6His)**Cat.No.:** db54893**Synonyms** : Brain-Specific Angiogenesis Inhibitor 3; BAI3; KIAA0550**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : C-6His**Expression host** : HEK293 Cells**Species** : Human

|                          |                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 577                                                                                                      |
| <b>Swiss Prot</b>        | O60242                                                                                                   |
| <b>Synonyms</b>          | Brain-Specific Angiogenesis Inhibitor 3; BAI3; KIAA0550                                                  |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| <b>Molecular Weight</b>  | 97.5 kDa                                                                                                 |
| <b>Species</b>           | Human                                                                                                    |
| <b>Purity</b>            | >95% as determined by SDS-PAGE.                                                                          |
| <b>Seq</b>               | Ala25-Thr880                                                                                             |
| <b>Tag</b>               | C-6His                                                                                                   |
| <b>Formulation</b>       | Freeze-dried powder                                                                                      |
| <b>Storage Stability</b> | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |

15% SDS PAGE(reduced) analysis of Recombinant Human Brain-Specific Angiogenesis Inhibitor 3/BAI3 Protein(C-6His)
