

Recombinant Human 6-O-Methylguanine-DNA Methyltransferase/MGMT Protein(N-6His)

db55085

Package : 10µg 50µg 100µg 1mg

Product Name : Recombinant Human 6-O-Methylguanine-DNA Methyltransferase/MGMT Protein(N-6His)**Cat.No.:** db55085**Synonyms** : Methylated-DNA--protein-cysteine methyltransferase; 6-O-methylguanine-DNAmethyltransferase;O-6-methylguanine-DNA-alkyltransferase; MGMT**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-6His**Expression host** : E.coli**Species** : Human

Gene ID	4255
Swiss Prot	P16455
Synonyms	Methylated-DNA--protein-cysteine methyltransferase; 6-O-methylguanine-DNAmethyltransferase;O-6-methylguanine-DNA-alkyltransferase; MGMT
Application	Positive Control, Immunogen, SDS-PAGE, WB
Molecular Weight	23.8 kDa
Species	Human
Purity	>95% as determined by SDS-PAGE.
Seq	Met 1-Asn207
Tag	N-6His
Formulation	Freeze-dried powder
Storage Stability	Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles.

15% SDS PAGE(reduced) analysis of Recombinant Human 6-O-Methylguanine-DNA
Methyltransferase/MGMT Protein(N-6His)
