

## Recombinant Human LAMP1/CD107a Protein(C-Fc)

db55146

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human LAMP1/CD107a Protein(C-Fc)**Cat.No.:** db55146**Synonyms** : Lysosome-Associated Membrane Glycoprotein 1; LAMP-1; Lysosome-Associated Membrane Protein 1; CD107 Antigen-Like Family Member A; CD107a; LAMP1**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : C-Fc**Expression host** : HEK293 Cells**Species** : Human

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 3916                                                                                                                                           |
| <b>Swiss Prot</b>        | P11279                                                                                                                                         |
| <b>Synonyms</b>          | Lysosome-Associated Membrane Glycoprotein 1; LAMP-1; Lysosome-Associated Membrane Protein 1; CD107 Antigen-Like Family Member A; CD107a; LAMP1 |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                                                      |
| <b>Molecular Weight</b>  | 65.5 kDa                                                                                                                                       |
| <b>Species</b>           | Human                                                                                                                                          |
| <b>Purity</b>            | >90% as determined by SDS-PAGE.                                                                                                                |
| <b>Seq</b>               | Ala29-Met382                                                                                                                                   |
| <b>Tag</b>               | C-Fc                                                                                                                                           |
| <b>Formulation</b>       | Freeze-dried powder                                                                                                                            |
| <b>Storage Stability</b> | Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles.                                     |

15% SDS PAGE(reduced) analysis of Recombinant Human LAMP1/CD107a Protein(C-Fc)
