

Recombinant Human Lacritin/LACRT Protein(N-6His)

db55433

Package : 10µg 50µg 100µg 1mg

Product Name : Recombinant Human Lacritin/LACRT Protein(N-6His)

Cat.No.: db55433

Synonyms : Extracellular Glycoprotein Lacritin; LACRT

Application : Positive Control, Immunogen, SDS-PAGE, WB

Tag : N-6His

Expression host : E.coli

Species : Human

Gene ID	90070
Swiss Prot	Q9GZZ8
Synonyms	Extracellular Glycoprotein Lacritin; LACRT
Application	Positive Control, Immunogen, SDS-PAGE, WB
Molecular Weight	14.6 kDa
Species	Human
Purity	>95% as determined by SDS-PAGE.
Seq	Ala19-Ala138
Tag	N-6His
Formulation	Freeze-dried powder
Storage Stability	Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles.

15% SDS PAGE(reduced) analysis of Recombinant Human Lacritin/LACRT Protein(N-6His)
