

## Recombinant Human IL-8 / CXCL8 Protein (aa 28-99)

db55664

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human IL-8 / CXCL8 Protein (aa 28-99)**Cat.No.:** db55664**Synonyms** : GCP-1;GCP1;IL-8;IL8;Interleukin-8;LECT;LUCT;LYNAP;MDNCF;MONAP;NAF;NAP-1;NAP1**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Expression host** : E.coli**Species** : Human

|                          |                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 3576                                                                                                     |
| <b>Swiss Prot</b>        | P10145                                                                                                   |
| <b>Synonyms</b>          | GCP-1;GCP1;IL-8;IL8;Interleukin-8;LECT;LUCT;LYNAP;MDNCF;MONAP;NAF;NAP-1;NAP1                             |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| <b>Molecular Weight</b>  | 8.5 kDa                                                                                                  |
| <b>Species</b>           | Human                                                                                                    |
| <b>Purity</b>            | >95% as determined by SDS-PAGE.                                                                          |
| <b>Seq</b>               | Ser 28-Ser 99                                                                                            |
| <b>Formulation</b>       | Freeze-dried powder                                                                                      |
| <b>Storage Stability</b> | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |

□ 15% SDS PAGE(reduced) analysis of Recombinant Human IL-8 / CXCL8 Protein (aa 28-99)
