

## Recombinant Human TGOLN2/TGN38 Homolog/TGN46 Protein(C-6His)

db55720

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human TGOLN2/TGN38 Homolog/TGN46 Protein(C-6His)**Cat.No.:** db55720**Synonyms** : Trans-Golgi network integral membrane protein 2;TGN38 homolog; TGN46; TGN48; Trans-Golgi network protein TGN51;TGOLN2;TGN46; TGN51**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : C-6His**Expression host** : HEK293 Cells**Species** : Human

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 10618                                                                                                                              |
| <b>Swiss Prot</b>        | O43493                                                                                                                             |
| <b>Synonyms</b>          | Trans-Golgi network integral membrane protein 2;TGN38 homolog; TGN46; TGN48; Trans-Golgi network protein TGN51;TGOLN2;TGN46; TGN51 |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                                          |
| <b>Molecular Weight</b>  | 38.3 kDa                                                                                                                           |
| <b>Species</b>           | Human                                                                                                                              |
| <b>Purity</b>            | >85% as determined by SDS-PAGE.                                                                                                    |
| <b>Seq</b>               | Ala22-Glu381                                                                                                                       |
| <b>Tag</b>               | C-6His                                                                                                                             |
| <b>Formulation</b>       | Freeze-dried powder                                                                                                                |
| <b>Storage Stability</b> | Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles.                         |

15% SDS PAGE(reduced) analysis of Recombinant Human TGOLN2/TGN38  
Homolog/TGN46 Protein(C-6His)
