

## Recombinant Human Cystatin C/CST3 Protein

db55837

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human Cystatin C/CST3 Protein**Cat.No.:** db55837**Synonyms** : ARMD11;Gamma-trace;Neuroendocrine basic polypeptide;Post-gamma-globulin;Cystatin-3**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Expression host** : E.coli**Species** : Human

|                   |                                                                                                          |
|-------------------|----------------------------------------------------------------------------------------------------------|
| Gene ID           | 1471                                                                                                     |
| Swiss Prot        | P01034                                                                                                   |
| Synonyms          | ARMD11;Gamma-trace;Neuroendocrine basic polypeptide;Post-gamma-globulin;Cystatin-3                       |
| Application       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| Molecular Weight  | 13.4 kDa                                                                                                 |
| Species           | Human                                                                                                    |
| Purity            | >85% as determined by SDS-PAGE.                                                                          |
| Seq               | Gly26-Ala146                                                                                             |
| Formulation       | Freeze-dried powder                                                                                      |
| Storage Stability | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |

□ 15% SDS PAGE(reduced) analysis of Recombinant Human Cystatin C/CST3 Protein
