

## Recombinant Human SNCA / alpha-Synuclein Protein

db56338

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human SNCA / alpha-Synuclein Protein**Cat.No.:** db56338**Synonyms** : NACP;PARK1;PARK4;PD1**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Expression host** : E.coli**Species** : Human

|                          |                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>           | 6622                                                                                                       |
| <b>Swiss Prot</b>        | P37840                                                                                                     |
| <b>Synonyms</b>          | NACP;PARK1;PARK4;PD1                                                                                       |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                  |
| <b>Molecular Weight</b>  | 14.5 kDa                                                                                                   |
| <b>Species</b>           | Human                                                                                                      |
| <b>Purity</b>            | >85% as determined by SDS-PAGE.                                                                            |
| <b>Seq</b>               | Met 1-Ala 140                                                                                              |
| <b>Formulation</b>       | Freeze-dried powder                                                                                        |
| <b>Storage Stability</b> | Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles. |

15% SDS PAGE(reduced) analysis of Recombinant Human SNCA / alpha-Synuclein Protein
