

## Recombinant Human MAPT / Tau Protein (His tag)

db57092

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human MAPT / Tau Protein (His tag)**Cat.No.:** db57092**Synonyms** : DDPAC;FTDP-17;MAPT;MAPTL;MSTD;MTBT1;MTBT2;PPND;PPP1R103;TAU**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-His**Expression host** : E.coli**Species** : Human

|                   |                                                                                                          |
|-------------------|----------------------------------------------------------------------------------------------------------|
| Gene ID           | 4137                                                                                                     |
| Swiss Prot        | P10636                                                                                                   |
| Synonyms          | DDPAC;FTDP-17;MAPT;MAPTL;MSTD;MTBT1;MTBT2;PPND;PPP1R103;TAU                                              |
| Application       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| Molecular Weight  | 38.7 kDa                                                                                                 |
| Species           | Human                                                                                                    |
| Purity            | >95% as determined by SDS-PAGE.                                                                          |
| Seq               | Ala2-Leu352                                                                                              |
| Tag               | N-His                                                                                                    |
| Formulation       | Freeze-dried powder                                                                                      |
| Storage Stability | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |

15% SDS PAGE(reduced) analysis of Recombinant Human MAPT / Tau Protein (His tag)
