

## Recombinant Human TRIB2 / TRB2 Protein (His &amp; GST tag)

db58506

Package : 10µg 50µg 100µg 1mg

**Product Name** : Recombinant Human TRIB2 / TRB2 Protein (His & GST tag)**Cat.No.:** db58506**Synonyms** : C5FW;FLJ57420;GS3955;TRB2;TRIB2**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : N-His & C-GST**Expression host** : Baculovirus-Insect Cells**Species** : Human

|                          |                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Background</b>        | Interacts with MAPK kinases and regulates activation of MAP kinases. Does not display kinase activity      |
| <b>Gene ID</b>           | 28951                                                                                                      |
| <b>Swiss Prot</b>        | Q92519                                                                                                     |
| <b>Synonyms</b>          | C5FW;FLJ57420;GS3955;TRB2;TRIB2                                                                            |
| <b>Application</b>       | Positive Control, Immunogen, SDS-PAGE, WB                                                                  |
| <b>Molecular Weight</b>  | 66 kDa                                                                                                     |
| <b>Species</b>           | Human                                                                                                      |
| <b>Purity</b>            | >90% as determined by SDS-PAGE.                                                                            |
| <b>Seq</b>               | Met 1-Asn 343                                                                                              |
| <b>Tag</b>               | N-His & C-GST                                                                                              |
| <b>Formulation</b>       | Freeze-dried powder                                                                                        |
| <b>Storage Stability</b> | Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles. |
