

Recombinant Serotonin Transporter (SERT)

db58904

Package : 10µg 50µg 100µg 1mg

**Product Name :** Recombinant Serotonin Transporter (SERT)

**Cat.No.:** db58904

**Application :** Positive Control, Immunogen, SDS-PAGE, WB

**Species :** Human

|                   |                                                                                                          |
|-------------------|----------------------------------------------------------------------------------------------------------|
| Application       | Positive Control, Immunogen, SDS-PAGE, WB                                                                |
| Species           | Human                                                                                                    |
| Formulation       | Freeze-dried powder                                                                                      |
| Storage Stability | Store at 2-8℃ for one month. Aliquot and store at -80℃ for 12 months. Avoid repeated freeze/thaw cycles. |
|                   | 15% SDS PAGE(reduced) analysis of Recombinant Serotonin Transporter (SERT)                               |
