

Recombinant Mouse Interleukin 1 Beta (Standard)

PKT-26P

Package : 10µg 50µg 100µg 1mg

Product Name : Recombinant Mouse Interleukin 1 Beta (Standard)**Cat.No.**: PKT-26P**Synonyms** : IL-1β;IL1-B**Application** : ELISA**Tag** : N-terminal His Tag**Expression host** : HEK293 Cells**Species** : Mouse

Immunogen	Recombinant protein
Gene ID	16176
Swiss Prot	P10749
Synonyms	IL-1β;IL1-B
Application	ELISA
Molecular Weight	20kDa
Species	Mouse
Purity	>90% as determined by SDS-PAGE.
Seq	Val118-Ser269
Tag	N-terminal His Tag
Formulation	Freeze-dried powder
Detection Method	Sandwich ELISA
Storage Stability	Aliquot and store at -20℃ to -80℃ for up to 6 months. Phosphate buffered saline (pH7.4) containing 0.01% sarcosyl, 5%Trehalose; buffer containing 50% Glycerol is recommen.
