

Testosterone

DG-1348S

Package : 可询价

Product Name : Testosterone

Cat.No.: DG-1348S

Application : ELISA, CMIA, CLIA, FCM

Reactivity : Human

Host species : Rabbit

|                   |                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------|
| Reactivity        | Human                                                                                                     |
| Application       | ELISA, CMIA, CLIA, FCM                                                                                    |
| Host species      | Rabbit                                                                                                    |
| Clonality         | Monoclonal                                                                                                |
| Isotype           | IgG                                                                                                       |
| Purity            | Affinity Purification                                                                                     |
| Storage Stability | Store at 4°C. Supplied in 1X PBS (pH 7.4). BSA and Azide Free. Stable for 12 months from date of receipt. |
