

Recombinant Human Ribonuclease A3 (RNASE3)

db510332

Package : 10µg 50µg 100µg 1mg

Product Name : Recombinant Human Ribonuclease A3 (RNASE3)**Cat.No.:** db510332**Synonyms** : ECP; RAF1; RNS3; Ribonuclease 3; Eosinophil cationic protein**Application** : Positive Control, Immunogen, SDS-PAGE, WB**Tag** : C-terminal His and FC tag**Expression host** : 293F cell**Species** : Human

Gene ID	6037
Swiss Prot	P12724
Synonyms	ECP; RAF1; RNS3; Ribonuclease 3; Eosinophil cationic protein
Application	Positive Control, Immunogen, SDS-PAGE, WB
Molecular Weight	30 kDa
Species	Human
Purity	>90% as determined by SDS-PAGE.
Seq	Arg28-Ile160
Tag	C-terminal His and FC tag
Formulation	Freeze-dried powder
Storage Stability	Store at 2-8°C for one month. Aliquot and store at -80°C for 12 months. Avoid repeated freeze/thaw cycles.

15% SDS PAGE(reduced) analysis of Recombinant Ribonuclease A3 (RNASE3)
