## HDLBP (DGR33297) Rabbit mAb (PBS Only)

db13143-PBS

Package : 100µg

**Product Name** : HDLBP (DGR33297) Rabbit mAb (PBS Only)**Cat.No.:** db13143-PBS**Synonyms** : HBP; VGL; PRO2900**Application** : WB, IHC-P**Reactivity** : Human,Mouse,Rat**Host species** : Rabbit

|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Background</b>           | The protein encoded by this gene binds high density lipoprotein (HDL) and may function to regulate excess cholesterol levels in cells. The encoded protein also binds RNA and can induce heterochromatin formation. [provided by RefSeq, Mar 2016] |
| <b>Immunogen</b>            | A synthetic peptide of human HDLBP                                                                                                                                                                                                                 |

| Formulation       | PBS Only                                                                                                                                                  |
| Storage Stability | Store at -20°C. Recommended to aliquot into single-use vials. Supplied in 1X PBS (pH 7.4). BSA and Azide Free. Stable for 12 months from date of receipt. |

Western blot detection of HDLBP in HeLa,A549,HL-60,U251,U87-MG cell lysates using HDLBP antibody(1:1000 diluted).

Western blot analysis of extracts from HeLa, C2C12 cells and Mouse muscle, Rat heart tissue using [db13143](#)
