

## Phospho-CD22 (Tyr807) Rabbit pAb

db20960

Package : 20µL 50µL 100µL

**Product Name** : Phospho-CD22 (Tyr807) Rabbit pAb**Cat.No.:** db20960**Synonyms** : SIGLEC2; SIGLEC-2**Application** : WB**Reactivity** : Human**Host species** : Rabbit

|                             |                                                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Background</b>           | Mediates B-cell B-cell interactions                                                                                                                           |
| <b>Immunogen</b>            | A synthetic phosphopeptide corresponding to residues surrounding Tyr807 of human CD22                                                                         |
| <b>Gene ID</b>              | 933                                                                                                                                                           |
| <b>Swiss Prot</b>           | P20273                                                                                                                                                        |
| <b>Synonyms</b>             | SIGLEC2; SIGLEC-2                                                                                                                                             |
| <b>Reactivity</b>           | Human                                                                                                                                                         |
| <b>Application</b>          | WB                                                                                                                                                            |
| <b>Recommended dilution</b> | WB: 1:1000                                                                                                                                                    |
| <b>Calculated MW</b>        | 95 kDa                                                                                                                                                        |
| <b>Observed MW</b>          | 140 kDa                                                                                                                                                       |
| <b>Host species</b>         | Rabbit                                                                                                                                                        |
| <b>Clonality</b>            | Polyclonal                                                                                                                                                    |
| <b>Isotype</b>              | IgG                                                                                                                                                           |
| <b>Purity</b>               | Affinity Purification                                                                                                                                         |
| <b>Conjugation</b>          | Un-conjugated                                                                                                                                                 |
| <b>Storage Stability</b>    | Store at -20°C. Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% sodium azide and 0.05% BSA. Stable for 12 months from date of receipt. |
